**TERMINAL DISCLAIMER**

Sir:

I, Juan Carlos A. Marquez, represent that I am the attorney of record for the above-identified application.

The inventions have been assigned to ALT Solutions, Inc., which is the owner by assignment of 100 percent of the right, title and interest in the above-captioned patent application.

ALT Solutions, Inc. is also the owner of 100 percent of the right, title and interest to U.S. Patent Application No. 12/225,199 by assignment, and hereby disclaims, except as otherwise provided hereinbelow, the terminal part of any patent granted on the above-captioned patent application, which would extend beyond the expiration date of the full statutory term of the **prior patent application** U.S. Patent Application No. 12/225,199, the term of said **prior patent** is defined in 35 U.S.C. §§154 and 173, and as the term of said **prior patent application** is presently shortened by any terminal disclaimer. ALT Solutions, Inc. hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the **prior patent application** are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.
